## ACCOMMODATIONS

Log Cabins, all with 2 bedrooms (some with queen beds, some with twin beds), a full kitchen, living room and bathroom, heat and A/C, an outside deck, 125 channel satellite TV and wireless internet!

We have a limited number of cabins (15), so we encourage teams to bunk up together, bring extra cots if needed or let us know and we will provide them.

Bring your own linens and bedding. A key deposit is required.

Dogs required to be crated when unattended.

**IMPORTANT - Please Note:** This seminar is being held on a military installation.

Therefore there are important regulations and guidelines that seminar attendees will have to adhere to.

**NO FIREARMS or WEAPONS** allowed. All vehicles entering the base must be registered to the driver. Photo IDs will be required of all attendees upon entry and will be compared to a list provided base security a week in advance.

Due to the fact this base has a large civilian workforce, it is highly recommended that you check in Thursday before 3PM or later than 6 PM. There will be special entry allowances made for seminar attendees coming after 6 PM.
